Tips for Tenants and Landlords to Get through COVID-19

The COVID-19 public health emergency is throwing a lot of tenants and landlords into uncertainty as they grapple with health and income issues. Although the governor has issued a temporary ban on evictions, tenants should still pay their rent and utilities to avoid problems down the road. To address these concerns, Community Advocates and their partners Legal Aid Society of Milwaukee, Legal Action of Wisconsin, and Mediate Milwaukee have developed fact sheets for Milwaukee tenants and landlords. They've also set up a Rent HelpLine at 414-270-4646 or renthelp@communityadvocates.net to answer questions and connect individuals and families to resources.
