Sheltering in Place. Together in Spirit.

The **2020 SVDP National Assembly** will be a virtual event, but that doesn't mean that we still can't be together. This is a great chance to meet Vincentians from around the country and learn from each other. The Assembly will be **September 3rd-5th** with a variety of programs and workshops available for you to participate in. Let's celebrate and energize our Vincentian calling. Click [here](#) for the schedule and to register. There is no fee to register but freewill donations are appreciated.

Bishop Donald J. Hying, National Episcopal Advisor, will offer a keynote address, "Every Crisis is an Opportunity" to consider how the current challenges lead us to reflect upon and understand more deeply the Vincentian vocation and mission on September 3rd at 2:30pm.

Back2Work is a St. Vincent de Paul Society of Milwaukee program designed to help people get job ready, to provide training in a skilled trade profession and to assist in job placement. Program participants are supported by trained volunteer mentors who offer encouragement during this time of life and career development.

The program was originally set to begin in March and has been delayed due to the pandemic. Due to these unexpected circumstances, there are openings for additional program participants as well as volunteer mentors. The next session will begin in September. During this time of job insecurity, Back2Work is a vital source for job readiness. We need the help of Vincentians to refer Neighbors in Need who may be interested in the program.
