

Wisconsinites should not fear being evicted or being without a place to live because their budgets have been impacted by the COVID-19 pandemic. And, that's why **"We're All In."**

Governor Tony Evers and the Wisconsin Department of Administration (DOA) are partnering with members of the Wisconsin Community Action Program Association to assist renters when they need it most.

## W.R.A.P. WISCONSIN RENTAL ASSISTANCE PROGRAM

The Wisconsin Rental Assistance Program assists eligible renters who have had a significant loss of income due to the COVID-19 pandemic and need help with their rent.

In general, eligible applicants must be an adult Wisconsin resident with a household income at or below 80% of the county median income in the month of or prior to the application date.

- Eligible costs include:
- Direct financial assistance for owed rent
  - Security deposits

### UP TO \$3,000

The Rental Assistance Program can award up to \$3,000 per household in a combination of rental payments and/or security deposits. The payment is paid directly to the landlord.
