

Are you willing to commit time and effort to getting job ready?

Are you interested in beginning a career in the trades?

Then our Back2Work Program is for YOU!

What is it?

Back2Work is a St. Vincent de Paul Society of Milwaukee program designed to help people get job ready, trained for a skilled trade profession and find a job.

What am I committing to?

1. Participants must enroll or already be enrolled in FSET (Food Share Employment and Training).
2. Participants are assigned a mentor to assist throughout the process for at least one hour per week.
3. Participants must commit to obtaining safety and forklift certifications at Milwaukee Community Service Corps, which takes 1 week.
4. Participants will attend a forty hour Back2Work training, paid at \$10 per hour once completed.
5. Participants who complete the training are then offered a 12 week internship, FSET training or MCMC Work Projects, or Temporary to Permanent job.
6. Unsubsidized employment is the ultimate goal after all the steps are completed.

How do I sign up? Please send the referral form and bio to bhohenfeldt@svdpmilw.org or SVDP, PO Box 26537, Milwaukee WI 53226.
