

# The Society of St. Vincent de Paul

An Introduction for New Members

Tuesday, November 10, 2020

6:00PM-7:30PM

This introduction to the Society of St. Vincent de Paul is ideal for anyone who has recently joined the Society or as a refresher for Vincentians about our mission, essential elements and history. This does not replace participation the Ozanam Orientation which is required for membership. The key points will be presented in greater detail with additional opportunities for sharing and discussion in January 2021.

Please RSVP to Maria Welz- Vincentian Membership Coordinator
