The Ozanam Orientation is essential for new members and a renewal for existing members. In addition to learning about the history and mission of the Society, Vincentian life and best practices of the home visit will be presented. The Society in the United States requires members to participate in the Ozanam Orientation. Certificates of attendance will be issued to participants. The traditional daylong in-person agenda is separated into three shorter virtual sessions and includes opportunities for small group discussion as well as pre-recorded presentations.
