Home Visit Experiences

(Feel free to use the back side or add a sheet, if needed)

Directions: During your Vincentian Visit experience you can keep a log of visits with neighbors in need whether they are at the Pantry, Home, Store, Parish office, etc. You can use this format for every visit or just the occasional inspirational or challenging visit. You are invited to bring these to your conference meetings to share as a Spiritual Reflection or at the end of the meeting. These can be used by your Conference or Council for Invitation to Serve, bulletin or newsletter articles or trainings/formation programs developed by your conference, district, Diocese or Region. Be mindful of confidentiality in sharing these experiences.
