Rev. 09-2026

A Vincentian Guide to using the SVDP Stores to help neighbors in need

The St. Vincent de Paul stores in Milwaukee are a major resource to Vincentians in providing clothing, furniture, and households items to people in need. The stores employ people from our community who work hard to process and recycle used items in order to provide reasonably priced, quality merchandise to budget conscious shoppers. Conferences are encouraged to use the St. Vincent de Paul Stores and are asked to adhere to policies and procedures governing their gift certificates.
